At FanMeme, our goal is to establish our token as a popular meme token that brings fun and joy to every crypto portfolio. We believe in the power of positivity and a welcoming approach to attract new people to the world of cryptocurrencies. Our community will play a key role in holding the majority of the token, ensuring that it remains stable, independent, and free from manipulation by large holders or "whales". By prioritizing the needs and interests of our community, we aim to build a strong and sustainable ecosystem around FM.
Name:Fan Meme
Symbol:FM
Goal
Launch the FM token and spread the word about its unique qualities and exclusive opportunities for holders.
List FM on all major ticker sites to make it easy for everyone to track their investment, no matter how big or small.
Build a community of 5k+ users who hold onto their talisman token and spread the love to others.
List FM on Pancakeswap, followed by Uniswap, to make it accessible to everyone, even without a trading/exchange account.
List FM on 3-5 popular exchanges with high volume for meme tokens and a strong community.
Hire additional staff from the community to take care of specific country or language communities.
Surprise holders and friends of the token who are struggling in their lives with help such as donations, resources, or other forms of assistance.
Use FanMeme to make a positive impact on people's lives and support good causes.
Prepare to hand over control of everything to the FanMeme community, so that the token can be entirely driven by the community.
the FM Roadmap, outlines our plan for the future of the talisman-like token that brings good luck and prosperity to its holders.
Phase 1:
Phase 2:
Phase 3:
We are committed to realizing this roadmap and making FM a valuable asset for its holders and the wider crypto community.
